

OPEN WATER SWIM - CROSSING THE GULF OF TRIESTE

MARATHON 18KM

31st July 2022

PRESENTATION: DIVE INTO NATURE! THE WORLD OF SPORT MEETS NATURE!

The setting from Trieste towards Grado is a splendid natural landscape that reaches down to the Gulf of Trieste. To help preserve the treasure that these places represent there are 3 protected areas whose staff are dedicated to their upkeep. The Marina di Miramare Nature Reserve, The Falesie di Duino Nature Reserve and the Regional Foce dell'Isonzo Nature Reserve. With the 5th edition of the Swim across the Gulf the world of sport wants to dive in and support the amazing work done to maintain these stunning places. An 18km swim, undertaken either individually or as a relay team, that passes through all 3 Nature Reserves.

The Swim Across the Gulf is a sports event for both amateur and competitive racers alike. It takes place starting in Staranzano, near the mouth of the Isonzo, and finishing in Grignano - Miramare, Trieste. Swimmers can participate either individually or as a team with a maximum of 6 swimmers per safety boat. This iconic swim started in 2009 with the aim of promoting and inspiring ecological and sustainable tourism through a fun sporting event. Over the past 4 editions the race has seen hundreds of participants from Italy and abroad, including some noteworthy

names from the national swimming scene. It is also a great day out for all the family.
